

## Easy Campese

25 Jan 2017

Cycle Queensland standard accommodation is 'Under the Stars' - each day you pitch your tent in our friendly, centrally located campsite and sleep under the southern stars.

For those who don't have a tent or really don't like putting up a tent we offer an **Easy Campese** option. At the end of each day you get off your bike, find your luggage and get straight into a tent we have erected for you. In the morning you load your luggage directly onto a dedicated truck, get on your bike and ride away. We pack up the tent and mattresses.

Luggage for Easy Campese riders is the same as all other luggage on the ride except there is a dedicated truck for the service. Riders must load their own luggage in the morning and help to unload it at the next campsite (weight limits apply). If you arrive after the unloading is complete your luggage will be waiting in a pile.

Easy Campese is allocated on first come, first served basis. A waiting list will be established if demand warrants. Standard is two people per tent.

### The Tent

*Easy Campese (\$450/tent):* 2.4m long x 2.3m wide x 1.5m high. We recommend a maximum of 2 adults per tent OR 2 adults and 2 children under 12. You can squeeze more in but remember you need space for your bags.

### Easy Campese Tent

### The Bed

We supply a camp mattress (per person) 1.9m long x 0.7m wide and 5cm thick. You are welcome to bring your own mattress if you prefer, just let us know. If bringing your own mattress, please remember it must fit inside your luggage bags.

### How it works

Each morning you will pack your luggage and load it onto the Easy Campese dedicated luggage truck. You put the mattresses inside the plastic bag – but leave them inside the tent.

Our eager team of volunteers will load the mattresses and pack up the tent and then put up the tent at the next campsite. We'll definitely have the tent up by 2.30pm but on a good day it may well be earlier.

To protect the floors of the tents you cannot wear your cycling shoes or take your bike inside the tent.

### **Benefits**

You still get the fun of the campsite but you don't have to set up/pack up a tent, we do it for you. Your luggage will be lighter without the weight of a tent.

### **Benefits – Not**

You don't get to choose your campsite. If you get in early your tent may not be ready. Access to the tents is restricted until the team has finished or 2.30pm, whichever comes first.

### **Other notes**

If you do not use your tent on any given night (you may have accommodation elsewhere) or go home early, you cannot give it to someone else.

If you do not need your tent on any given night then please advise the volunteer crew so they can save the effort of putting it up.

### **Cost**

One tent for 8 nights from Saturday 2/9/17 costs \$450 for Easy Campese. The tents will be available in Goondiwindi. You can share with another person and we encourage that as a way of maximising the tent space.

You can stay in your Easy Campese Tent on the Friday night in Goondiwindi (1/9/17), however an additional general camping fee of \$29.00 applies. Please select this option when completing the entry form.

### **How to book**

Easy Campese tents will be **allocated on a first in, first served basis**. If you want a tent you need to enter as soon as possible and select the Easy Campese tick box on the online form available at [www.bq.org.au](http://www.bq.org.au).

If there are more bookings than there are tents (and our previous experience shows this is likely), then a waiting list will be created showing the order.
